

Council Facebook page

08 March 2022

OVERVIEW

Council to consider setting up and maintaining a Facebook page

PROPOSAL

The Council Facebook page would provide another way to engage parts of the community.

It would be used to provide information about council meetings and activities, and pass on information from other organisations, eg WODC and OCC.

It is not intended to be a formal method for members of the public to contact the council, as it is not proposed that it is monitored in this way.

BUDGET IMPLICATION

No direct financial cost to council. The Clerk will require time set up and maintain the page.
