

# Playground refurbishment project

05 July 2022

## OVERVIEW

---

The council has determined that the playground requires refurbishment.

The council met at the playground in June to look at the condition of the current equipment and the play area.

Council needs to determine its next actions.

## CLERK RECOMMENDATIONS

---

- To create a Playground Refurbishment Working Group (separate from the Playground Maintenance Working Group).
- To appoint Councillors and others to the Working Group.
- To delegate authority to the Clerk to create TOR for the working group.
- For the Working Group to review the results of the June playground meeting and create a report for council with suggested project plan(s), to be approved at a council meeting.
