

# Council mailboxes

11 April 2023

## OVERVIEW

---

Council agreed to purchase mailboxes so that councillors could have council email addresses, and mailboxes controlled by council. During the set up with Aubergine it was found that the mailboxes would incur an additional cost, which would need to be paid monthly using a debit or credit card. The council agreed to use a third party supplier. APM Internet Ltd, and manage the mailboxes in house.

## COUNCIL DECISIONS

---

- To confirm supply of seven council mailboxes from APM Internet Ltd, at an annual charge of £70.00.
- To delegate authority to the Clerk to manage the mailboxes on behalf of the Council.
