

Livestock and poultry on the allotments

11 April 2023

OVERVIEW

The Council is responsible for allotments in the Parish, on land leased from the Kathleen Hannay Will Trust, managed by Savills.

The Council is revising the tenancy agreement of the allotment, and needs to make a decision regarding livestock and poultry on the plots.

BACKGROUND

The Council has a tenancy agreement with the Kathleen Hannay Will Trust. This states that the tenant is:

“not to keep on the said property or any part thereof without the written consent previously obtained of the Landlords any poultry or livestock”.

The Council has not requested consent for poultry or livestock on the land.

COUNCIL DECISIONS

- To consider whether to request consent from the Kathleen Hannay Will Trust to allow poultry and/or livestock on the land.
- To consider, if permission is granted, to allow tenants poultry and/or livestock on the allotments.
