Defibrillator pads

Dear Anne

I understand there may have been confusion regarding the above and to clear this up I attach a Chadlington Sports Club 'Application for Payment' together with the relevant amer

I believe the order was placed by Paul Duester when acting as Treasurer for Banbury FC but I can assure you this invoice was paid for by Chadlington Sports Club.

I trust this clears the matter and you can place this on the next Parish Council agenda for payment to our Club.

Regards

John
