Good morning,

I hope you are well ?

I am sure you will be aware of the recent government announcement of [Stopping the Start: creating a smokefree generation 2030](#), and we hope

Oxfordshire's Smokefree Community Fund is available to **District, Parish and Town councils** to create **smokefree playparks/playgrounds** for **your residents** - please see information attached.

Playparks/playgrounds in Oxfordshire are priority areas we'd like to become smokefree as our recent Smokefree Survey found that around **90%** of deprived LSOA wards in Oxfordshire **agreed to these areas becoming smokefree**.

Funding of up to £1000 can be applied for to create smokefree signage in your local playparks. Witney Town Council applied to this fund to create smokefree signage for children, to be placed at their playparks and we worked with them to create the signage attached, you can see their press release about this [here](#)

If you would like to apply for funding to go towards creating and printing smokefree signage to be placed at your playparks/playgrounds or any other locations, please email smokefreeoxon@oxfordshire.gov.uk

Please feel free to contact me if you have any further questions and I look forward to hearing from you.

Charlotte Iddon
