

# Contractor for minor playground works

06 May 2024

## OVERVIEW

---

The Council wants to consider how to manage the minor playground maintenance and repair.

## CONTRACTOR

---

The Council could consider obtaining the services of a contractor able to undertake minor playground maintenance and repair work.

The Council could consider employing someone to manage the minor playground maintenance and repairs.

## CONSIDERATIONS

---

- Type of contract or employment
- Contractor option - insurance required – minimum £10 million public liability
- Contractor or employee experience and understanding of the requirements of playground equipment repairs and maintenance

## COUNCIL DECISIONS

---

- To investigate contractor or employee options for minor playground maintenance and equipment repairs.
