

Training opportunities

07 March 2025

OVERVIEW

The internal auditor has recommended councillors attend training.

Councillors need to determine what training is required for council to operate effectively, achieve its aims, objectives and priorities, and ensure it keeps up to date with all new legislation.

The council has a Training and Development Policy which outlines the council's policy, and training and development available to councillors and the Clerk.

OALC TRAINING 2025

• Emergency first aid at work	13/05/25	£185	Benson
